Dear friend and sister in Jesus,

It is a long time since I heard from you. I trust you are not ill yourself. I know the Lord will have you in His keeping and He is able to keep.

I am glad to hear of the blessing coming at Malmö. I rejoice. Some are being saved and I am sure others will. I know Mr R. Radcliffe little. He is a good man and the Lord has used him much in England. Oh I do long to see all Sweden shaken by the power of God. I wish I could come to stay a good while.

We have a call to France. I think my eldest sister will go. It is a great work. I am much enjoyed. We are still increasing our numbers and God is using the weak instruments to confound the mighty. I know you pray sometimes for The Salvation Army.

The Lord will keep you. Remember you are not your own. You are His. You are His vineyard he says "The Lord do keep it, I will water it every moment, lest any hurt it I will keep it night and day. Isaiah 27:3. That is the promise. Will He perform his own word – Yes yes a thousand times yes – He will. He does. Oh we lose much joy but not taking the word He speaks to ourselves. He speaks it to us – to you – to me – we must listen, and believe and go on our way rejoicing.

I am hoping to hear that you have had much blessing at the meetings you have had. Many souls brought to Jesus. Write and tell me about it, I am interested in everything which concerns Sweden.

The Lord is wonderfully blessing our people in America already. Many have been saved and many have heard the word with joy. Praise the Lord.

I hear Mr Billups is on the way home. I hope he has seen you. I shall see him.

You will pray for me. I remember you all. Give my love in the Lord Jesus to all my dear people.

Yours affectionately in our

Lord Jesus Christ

W. Bramwell Booth
