My dear Friend,

I have the book. My Swedish officer is much pleased to have it. I shall bring it with me if I come to Sweden again. I see some hymns that we sing have been translated and are in it. I wish I had known that when I was in Wernamo. Such as “Just as I am” – “Rock of ages cleft to for me”, “There is a fountain filled with blood” and so on. I thank you for the book which I accept as a present to myself but I will insist upon paying for the others, so be sure to send me the price. I will let you know how to send them.

My sister is going to France at once. We had most glorious farewell meetings. The Lord was very very near. Perhaps you may come to London some day. I hope so.

I must tell you that I quite forgot to thank you for the picture. It was so kind of you to think of me. I have put it up in my private office at Headquarters. People ask about Sweden and I tell about my Svenska people! I shall call some of you my people!

Dear friend are you fully trusting? Always trusting. Only trusting. The precious blood of Jesus Christ cleanseth us from all sin. Do you believe it? Do you prove it? Do you feel it? I cannot fail. God cannot lie. He is true true true. Cling fast to that.

Have you read Madame Guyon? I am sorry I am busy and cannot write long letters. But I think you like a little and often better than a long letter very seldom.

Jesus be with you. He is the great Shepherd. He keeps his sheep. You are safe with Him.

With love in the Lord to all.

Yours affectionately

W. Bramwell Booth
