Dear friend in Jesus,

I think today I should like to see my Swedish people! But I remember the Lord has put His own eye upon you all. He does see. He will keep. He will guide.

It is those who like Caleb and Joshua follow the Lord fully, He blesses the most. He loves all but He gives His best blessings to those who love Him most, who follow Him fully, who suffer with Him, and for Him.

What is His best of all blessings and gifts? Himself.

Write and tell me how you get on. Bring love in Jesus our Lord to all those who remember me. Tell all to pray sometimes for me, that I may win many Souls to Jesus –

Please tell me Duncans address, I wish to write.

I enclose another photo.

Look to the Lord – follow the Lord, work for the Lord and the Lord Jehovah will take care of you always.

Most affectionate greetings yours
Servant in Christ Jesus

W. Bramwell Booth

will take care
of you always.
