Dear friend.

It is a long time since I had the pleasure of a line from you. I trust you are not ill – but well both in body and in soul. I hear good news from Sweden. One of our people is in Malmö and writes that many are coming to the Lord under Reginald Radcliffe. I am so glad for I long to see your dear country saved. Have you heard about the Malmö meetings. We are having very good times in England. Many souls for Jesus and many hearers of His word.

Remember (me) to all my dear people and accept my greeting in Jesus our Lord.
