My dear Friend,

I am sorry I have been so long in writing in answer to your last but I have been away from London 2 or 3 times and have been dreadfully busy with all manners of business and meetings.

I do rejoice to hear from you. You and others who are my children in the Lord, are my joy and my crown. The joy and crown of my rejoicing I may purify the grace of God in you and on your account. He is worthy to be praised and glorified with great thanksgiving. I am full of gratitude to God for all he is doing through you and by you. Go on. Do not be cast down. Do not give up. Do not go back one inch. God is with you. He cannot fail. He cannot leave you. He is the same, the same, the same, always. If you will only trust, trust, always trust. Hallelujah you will.

I am afraid I cannot come to Sweden this year. I am too busy.

Mrs Billups said something to me the other day about your coming over to see us. I hope you will do so and I will do my best to let you see the work of the Army. Come if you can.

Do not think I do not think about you more than I write to you. I pray for you in faith.

Learn to love by faith. Do walk by faith. That is true life of a saint. You can then be independent of all else.

Do not flinch at the Cross. Do not give way one moment to doubt or darkness. I hope you receive the War Cry all right.

God bless you and keep you.

Your affectionately friend in Him
